- Carpentry craftsmanship and skill set appropriate to the custom luxury home market
- Extensive knowledge of residential construction and remodeling trades, practices, procedures, techniques, tools and equipment, materials, specifications, quality control, cost control, safety, and applicable building codes
- Strong understanding of building envelopes, building systems, and building technology
- Proficient at blueprint reading, layout for framing and finish carpentry
- Working experience with office and business technology, including Microsoft Office (Word, Excel and MS Project for scheduling)
- Ability to lead and communicate with a team of carpenters and subcontractors
- Massachusetts Construction Supervisors License

Responsibilities include team leadership; safety audits; pre-job planning/strategizing in relation to schedule and budget; driving project schedules; labor budget performance; timely/accurate field documentation; field/subcontractor coordination; customer and employee communications; quality construction techniques.

Pay & Benefits:

Our Site Supervisor positions are full-time, hourly positions, based on a 40-hour week, plus overtime compensation as needed. We are an equal opportunity employer that provides a flexible work environment and a comprehensive benefits package. Benefits include health and dental insurance, vehicle expenses, paid holidays, and vacation, profit-sharing and a 401(k) plan.

Company Description:

Howell Custom Building Group (HCBG) is in its 25th year of creating upscale residential additions, renovations, and custom new homes north of Boston. The company was founded in 1997 by husband-and-wife team, Stephen and Susan Howell and maintains its family and community focused values. The Howells vision was to utilize their professional backgrounds in engineering, project management, residential construction, and marketing to create a consistently great building experience for homeowners. Meticulous planning ensures consistently spectacular results, time and time again. The company has been repeatedly recognized with the Best of Northshore Home Award Editor's Choice for Builder/Renovations, in addition to receiving annual PRISM Gold awards from the Builders and Remodelers Association of Greater Boston (BRAGB) and PRO New England Gold awards from the Professional Remodeling Organization of New England for Entire House remodels over \$500,000. HCBG's work has been featured in both regional and national publications. Howell Custom Building Group is located at the Riverwalk Complex in Lawrence, MA.
